To Whom It May Concern:

Our names are Scott Leader, Alec Anderson, and Dylan O'Brien and we are students at Central Middle School.

We are enrolled in a class called STAR (Students Taking Action Responsibly). We were required to have a fundraiser for our continuing concern. We coordinated a Mario Kart tournament that allowed students at Central Middle School to pay \$2 to play Mario Kart game with all proceeds going to WAAGR. We raised \$52.00.

We decided WAAGR because we wanted to help animals in need and think WAAGR is a great organization to support and hope our donation will help. Also Dylan O'Brien's family adopted a golden last year from WAAGR. His name is Ranger.

We have enclosed a check for the amount of \$52.00 made payable to WAAGR.

Sincerely,

Dylan O'Brien,

Scott Leader
